San Diego Chapter

Serving the Environment in San Diego and Imperial Counties

February 27, 2008

Ms. Sherri Lightner
Sherri Lightner for City Council
8551 La Jolla Shores Drive
La Jolla, CA 92037-3044

Dear Sherri:

The San Diego Chapter Sierra Club is pleased to endorse your candidacy in the primary election for the 1st Council District for the City of San Diego. We believe that you have demonstrated an outstanding commitment to environmental protection and we are confident that you will continue to support strong environmental legislation for the citizens of the City of San Diego.

We encourage you to include the Sierra Club in lists of your endorsers. With this endorsement, your individual supporters are now authorized to include their Sierra Club titles for identification on your list of endorsers; you may purchase the Chapters membership list, at fair market value, and purchase advertising space in the Chapter's newsletter.

The Sierra Club is highly protective of the use of its name and logo, however, so all other uses of the Sierra Club name or logo on campaign materials must be approved in advance by your chapter contact. I would be happy to discuss other opportunities available to you campaign with this endorsement. Your Chapter contact will be myself.

Richard Miller
