Recent Endorsements of Sherri Lightner

Sherri Lightner, District 1 candidate for the San Diego City Council, said today that she is delighted to have the recent endorsements of Congresswoman Susan Davis, State Sen. Christine Kehoe and four members of the City Council, Ben Hueso, Tony Young, Toni Atkins and Donna Frye.

In a statement Congresswoman Davis said: "I am proud to endorse Sherri Lightner....Sherri's record of community service, leadership over the last decade, and her strong commitment to District 1 residents and neighborhoods, will enable her to be an outstanding Councilmember."

"I have observed Sherri Lightner's outstanding community leadership for many years," Sen. Kehoe said. "I know she is the right choice for the people of District 1 (and) has the integrity, intelligence and experience (and will) make sure your voice is heard."

"Sherri Lightner will be an outstanding member of the San Diego City Council," said Councilmember Ben Hueso of San Diego's 8th District. "Her integrity, commitment and years of experience with community affairs, planning groups and neighborhood concerns are what we need on the Council."

Donna Frye, 6th District Councilmember, said: "Like me, Sherri is a small business owner and has the experience and commitment to reform how the City's finances are managed. Her professional training in engineering will also enable her to provide a unique perspective to the City Council. We need someone else making decisions who will not merely rubber stamp on every issue."

“Sherri’s knowledge of community and regional issues make her the ideal choice to represent District 1 on the City Council,” 4th District Councilmember Tony Young said. “She knows the issues in District 1 and will bring keen insights to Council deliberations.”

Other current or former public officials who have endorsed Sherri include: Congressman Bob Filner, former Congresswoman Lynn Schenk, former State Sen. Dede Alpert, and State Assemblymember Lori Saldana.

Lightner has also been endorsed by the San Diego City Firefighters, the San Diego Police Officers Association, the San Diego Chapter of the Sierra Club, the League of Conservation Voters San Diego, the Friends of the San Dieguito River Valley, and the San Diego Municipal Golfers Alliance.
